

## 2016-17 Unified FC Foundation Player Scholarship Form

As part of the central core values of Unified FC Foundation we thrive to provide a way for all of our youth players to afford the opportunity of a club quality soccer experience. Every player incurs costs inherent to the club model. Uniforms, registration for league and tournaments, field rental and paying for our quality coaches are all examples of costs that are required for an experience that develops players for high school, college and beyond.

The cost structure for Unified Foundation is a \$75 dollar once a year club fee per athlete or \$100 for a family. The cost of a competitive player's uniform kit is \$110 to include 2 jerseys, a pair of shorts, and 2 pairs of socks. A monthly fee of \$95 per season played (Fall: August-October), (Winter 1: November-December), (Winter 2: January-February), and (Spring: March-May). Tournaments are charged separately divided equally between the players attending as per the discretion of the team manager.

Total cost for a typical full season is \$1200 with 2 tournaments.

As a scholarship player, we have the expectation of dedication to the team, attending the majority of practices and games. Family support is essential to provide transportation or set up other means of your player arriving on time to practices and games. We also ask that families on scholarship are involved in any fundraisers, camps, tournaments or other activities where volunteers are requested.

The typical scholarship player will pay \$50 a month plus any additional tournament or camp costs

Please fill out the form below and submit your request for scholarship to the board of directors for review and determination of availability of need based funds.

Player Name \_\_\_\_\_ Team \_\_\_\_\_

Parents Name(s) \_\_\_\_\_

Contact number and email \_\_\_\_\_

Please circle if any of the following apply to anyone in your household:
